

# 👑 JACOBELLA'S BOTANICAL BREAKDOWN -FIASCO CONTINUES: Petal to Metal.

## “The Return of the kQing (of Returns)” 🎀

*Chapter 4: Elastic Fantasies & Sock Revelations*

It was the 26th of May, the sacred date that now lives in infamy—etched into the velvet-clad history books of Mango Meltdowns. Jacobella, the newly anointed Petal Prophet of Diagonal, had returned. Not with vengeance. Not with peace. But with a corset dream... and itchy socks.

### Act 1: The Corset That Never Was

A.K.A as Bella, had finally sent an elegant plea to the Mango higher beings. He wanted a corset. Not just for aesthetic purposes, but to transform the impossible wedding shirt into a wearable prophecy.

The Priestess had promised. She, keeper of silk secrets and return form incantations, had once whispered during a full moon shift: “***If the shirt binds the soul, the corset shall set it free.***” But the corset? Vanished. Never arrived and never existed. Either exiled by the *Council of Unavailable Stock/Inventory of hidden sacred Mango Archive of “Nice Ideas, Never Produced.”* (This is not another

church BTW, the one and only is the P.P.C.L.C.F.D.C.B.I.R. <sup>TM</sup>  ). ...

Mango Customer Service

Jacobella, breath restricted, dreams constricted turned to the Oracle. **Touka**, customer service oracle, avatar of the templated realm, response was cold, final, like a dismissive ex at a Paris Fashion Week party: “*We do not carry corsets.*” Just heartbreak in Helvetica.

## Act 2: Socks of the Fox-Faced Future and shoted out by emails

Meanwhile, the fox-printed socks—his only loyal allies—were explained by touka 56% cotton, 22% polyester, 20% polyamide, 2% elastane. Basically, a delicious blend of textiles engineered to absorb tears, sweat, and misplaced romantic step dreams of an unborn odor, The scent of unanswered emails....., washing instructions suggested, guess his fault after all.

They will endure washing cycles, existential crises, and one very awkward foot intolerance to everything below 100% cotton, any animal biteable printed socks in 100% cotton? Also in regards to my oxygen thief, rib cage and fabric prison shirt, quality it seems to be reported, well done, but in the same case?

Later a former pro boxer, the king of the ring, delivered an uppercut to Bella's pride with an email covering many of his concerns, used a **mng** template for a mango.com

purchase  . In his belief that boxers were sold by someone else, who is he talking to? The priestess came back from her exile when noticed that, also seeing boxers being treated like lingerie (isn't it??), Who are you talking to in the first place? Conditions have been checked. About jeans offered me only in-store return, effectively indicating where to find return form magically erased from existence by spells, this time roserians wouldn't step back my fate. In addition, Told me about 48 h to process refund....

Also provided nearest store to my place, a store in the antipodes, yes is the same street but Only 5 kilometers away. Uphill. In summer. In heels., is that for real? In the heart of mango birthplace, try again my friend? My floral pants are only there or What?. Priestess came in, don't knowing if to retain Bella or check how many responses into a single category has been put in salesforce for one case, nowadays to many things to control on her, inside every Mango app notification, the highest supreme entity of quality control is more important than floral dreams of a nothingman, she is ubiquitous, but man.....check that out again?

While a tragic bikini still whispering “*I was born to be worn by a confident mermaid*” came with a suspicious unbonded protective seal..... had another mermaid rebelled before him? see below),

And the shorts (now legally wind kites in three provinces). All under a cloudy sky of bureaucracy. Returned at drop point in office, to traceability, outlet refraining dreams to come true. At the same time, *Balkis*, another Oracle whispered return and to keep protective seal, guess never mentioned that to previous owner....

Received some emails from the system saying that it has been refunded, but still not on my account. What can it be done, and what can he present to his payment method issuer as evidence of my actions and money?

He pirouetted between drop-points like a disgraced ballerina in boxers that had no right to exist. He dreamt of merging returns. Mango and Mango Outlet. One bag. One box. One floral future. No one said anything.

## Act 4: The Sacred Refund Scroll

But lol! A beacon of hope arrived—on the 23rd of May, a refund! For the wideleg floral pants. €13.99. A price, a poem, a tiny hymn of justice. The first sign that the Mango deities were perhaps listening... or just tired of the emails written in haiku. Still dreaming with it and Zaouhir mysteries.

And yet, the mysteries remained:

- *The corset? Still forbidden, not at all???*
- *The wedding shirt? Ripped, yet cherished. QI check, seems so?*
- *The push-up jeans? Flat betrayal. Returned, where is my refund??? what about those invoices?*
- *The outlet returns? Scattered across dimensions bikini+shorts, need evidence of refund....*
- *Return in one boxx both brands????*
- *The fox socks? Divine, but.... Any full cotton options?*
- *The priestess? Watching. Always watching.....Zaouhir's (with a PhD in seduction) voice echoed like jasmine breeze from nowhere: he will fall again, it's just a matter of time.*
- *You're suggesting stores near me — but how do you even know where I live? On what grounds are you entitled to access my location? And more importantly, how is this information collected, processed, and protected according to your policies?"*

## **Finale (not so fast.....) Waves Rising**

After his latest failed attempt at retail redemption, a Nightmare or dream in Bloom descended once more. The scent hit first, her haunting wave of lavender, amber, and gourmand base notes like never before. It was her again, Priestess on her final strike, and like the Carpenter's song, *sprinkled moon dust in his hair of gold* (technically there's no hair. And honestly....gold? but let's not ruin the moment, is just a song.), lavender spells, among other things, slipping it into the most profound dream state, the glorious vision arrived, the unknown style-look, possibly illegal in some postal zones (i.e: military bases), telling him an unspoken spells of floral wisdom while in sacred murmurs were stitched the seams of his destiny.

*Return to me, my darling peony... there's more than 50% off in outlet and destiny in your size, but your soul isn't on sale, I know, but the kaftans are, now bloom, you flamboyant gazelle.*

*Your next great love... is a velvet involvement and stop ghosting your destiny, it's trying to send you a push notification.*

*So go for it, little polyamide phoenix... I've aligned your chakras with urgent shipping, I've seen your wishlist, It calls at night whispering at 3.00 AM; never hesitate. As the sacred scrolls of the Fifth Dimensional Bloom say: When the seams align and the promo codes descend, One must not delay, for hesitation is the mothball of ambition.*

*Because you can't outrun fate, not in those socks little boy, and especially not in those trousers. You're not confused, Bella... you're just hungry and badly dressed. Come, I made tea, zip, see...your refund is not pending, your rebirth is. Use you likes.*

*Even the fox in socks are howling at the moon. Come home, you elastic-challenged unicorn as you weren't out of stock, you were just spiritually restocking.*

*And remember... **you once dreamt of becoming a bouquet... now you're one refund away from being potpourri**, so I just sautéed your floral fate in olive and mystic oils and wrapped it in a brik. Now bite into it, coward, even being my favorite failure, Bella, every messiah needs a comeback arc. Now grab your wallet and do the pilgrimage to the holy land of checkout, and if you think that style is **sin**, become a glorious sinner. Repent later, shop now. You... the chosen mess, wake up!!!*

**Oh no**, ....wait a minute, that's not Zahouir, that's not me, but those floral pants and other garments came to dream reality..... woke up, gasped, sweat glistening like department store shimmer, saying, *I'm not over-sized... I must be florally fulfilled.*

## ✿ Final ACT: Fashioned to Fail or Retail-iation once again

### – A Return Too Far ✨

*“Not over-sized. Over-expressed.”*

It began as every tragedy does, late at night, with soft lighting, a weakened will, and the priestess whispering forbidden truths through the veil of sleep.

Jacobella resisted. He had survived satin betrayals, polyester heartbreaks, and drop-point disappearances. But nothing, absolutely nothing, could prepare him for the final ambush.

The **Priestess**, glowing in river moonlight, ahe spoke not in words, but in divine retail prophecy:

You trusted the outlet... but forgot the source. *“Only one item can save you now. The one not discounted. The one still on mango.com.”*

The bottle glowed. **EKXJ7F**. Lemon, Cardamom. Middle notes: Lavender, Silk. Base notes: Tonka, Sandalwood, and of course redemption. She said, *It's the final step of your transformation. You've worn the florals, walked the satin path, failed the size charts, and still, you stand.* Time stopped. **Cart: Check.** After all, he is the greatest fan of scents (even before Zaouhir inception), but forgot to check *if its eau the toilette or parfum?* What do you think? He just let it go....." I may be fashioned to fail," he whispered, staring into the digital abyss, "*but at least I'll smell like divine vengeance.*" **Order Placed.**

Eyes wide. Heart racing. He gasped but not from fear, but urgency.

Phone. Wi-Fi. Face unlock.

He didn't scroll, he *summoned, the aftermath: Went TO OUTLET AS PRIETESS SAID!!!!*

The outlet items?

Scattered across dimensions:

- **UELRMG** – Velvet Cardigan "Selected a drop point... but when will it arrive? If not by tomorrow, I'd rather cancel it!!! Or change ADDRESS!!!!!! The voice said: **Your cardigan will arrive when your courage does.**
- **UELROT** – Still in limbo. Satin? Yes. Structure? Absolutely not. The only thing tighter than these pants is his throat when he sees the invoice, it flows... but so does regret. Cancel it!!!! "If Zaouhir wanted you to wear skinny or tight pants, he'd have made your soul more compressible since the pants have always fit, It's your expectations that need tailoring.
- **UELRP9** – A top too tight with dreams. "W", as in 'Why did I do this at 3AM?' The priestess claims M stands for """"Mystical"""" That was not a mistake, it was fate testing your shoulder width." Zaouhir loved you unconditionally. This top didn't even pretend to. Cancel IT!!!!
- **UELRPO** – A dress he may never understand. "I think I chose the right one... *alea iacta est.*" The voice said: "*you'll never return me* during checkout. *It might already be a wedding guest somewhere*". Will see
- **57094776** – A shirt that lives only in legend. Size L? Long gone. This shirt ascended spiritually after Bella clicked 'notify me when available' 47 times. Now part of Mango's ghost inventory. Where can I get it? Any help?
- Eau de parfum **ou** Eau de Toilette?

### **But the scent?**

The perfume... was real. Because in a world stitched with terms & conditions and discounts, where people return garments more often than phone calls, scent remains the only truth we wear without asking for a receipt. In life, as in fashion, some things won't zip, some tops betray, some refunds never come, but the scent we leave behind? When we care for someone as our customers. That's legacy. That's art. That's who we really are

So everyone, bloom boldly, return nothing but kindness, and wear your soul like its runway season. Lavender first. Always lavender. **+1.**

And this strange, floral, glitter-stained story? It bloomed because of all of you,  
Thanks, and count with us and moreover, thank you for walking this story with us, in satin, wrong-sizes,  
sorrow, returns, regrets, socks, scents, flowers and joy.

Welcome **Transcom**
